Opportunity

An exceptional opportunity to acquire a freestanding, two-storey medical-office and residential property in the heart of Langley City.

Situated on the northeast corner of 206 Street and Douglas Crescent, the property benefits from excellent visibility, convenient access and a central location directly adjacent to the amenities of Douglas Park.

The property includes established medical-office improvements, upper-floor professional and residential accommodation, an attached carport and ten surface parking stalls.

The current medical owner is prepared to enter into a leaseback arrangement on terms to be negotiated, providing immediate rental income while allowing the property to be held as a strategic long-term investment for future redevelopment.

Property Description

This two-storey building, which totals 4,665 sf is configured for medical and professional use, with reception and waiting areas, examination and treatment rooms, private offices and administrative space. The property includes an attached carport and approximately ten surface parking stalls—an important amenity for medical, professional and service-oriented users. The property is located within Langley City's evolving downtown growth area, close to the future Langley City Centre SkyTrain Station and transit exchange.
