ABOUT THE DEVELOPER

Azimuth Builders Ltd

Based in Calgary, Azimuth Builders is a progressive new Commercial / Industrial Design Build company specializing in Turnkey Builds with fast completion schedules and below market value pricing. They strive to find ways to make the construction industry better, and improve the standards of quality without increasing costs while constructing top-notch projects.

CUSTOMIZABLE

Our open-concept lofts with high ceilings offer a blank canvas for creating the ultimate luxurious sanctuary or a dynamic entertainment hub. Any design aspirations take shape when imagination knows no bounds.

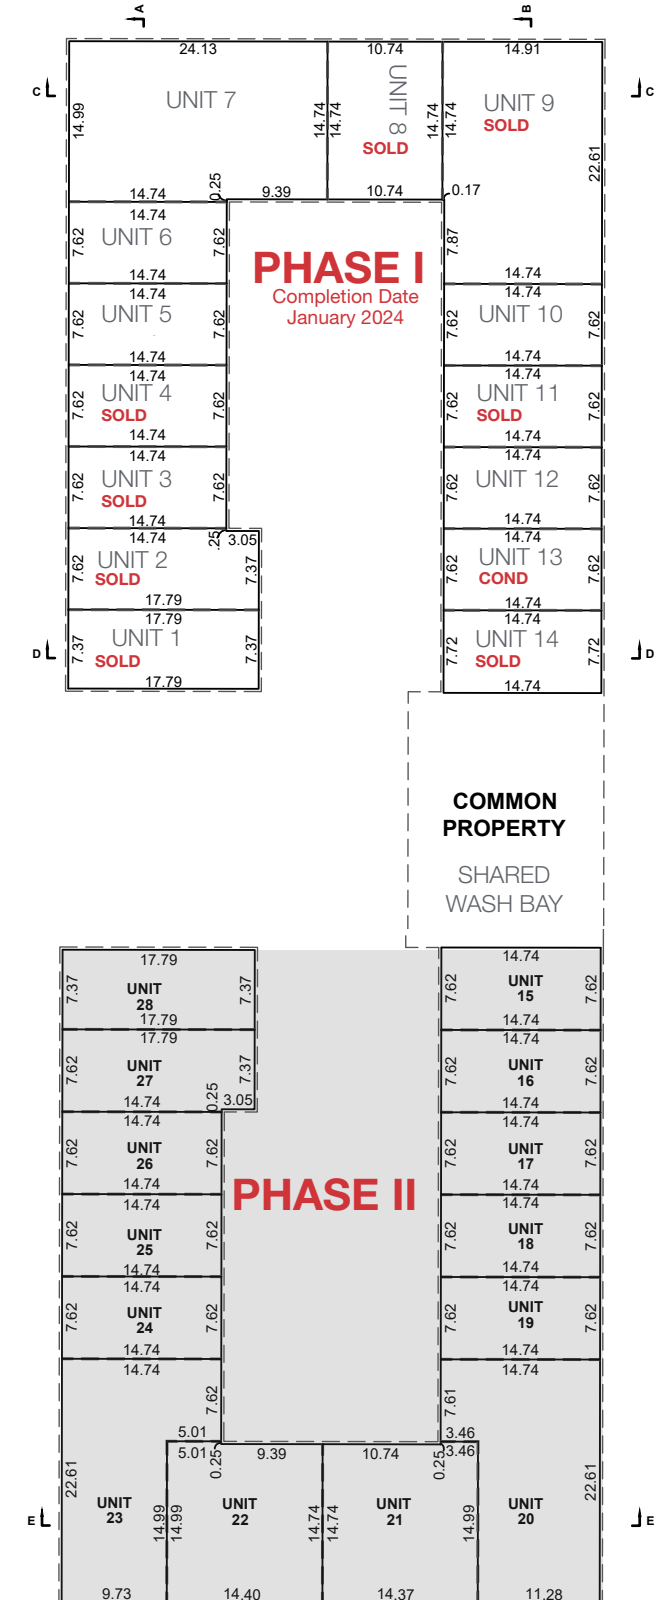

SAFETY & SECURITY

Crafted with precision and fortified with the utmost care, these garages boast a private gate and state-of-the-art security systems, creating an impenetrable sanctuary that guarantees the safety and security of the most prized possessions.

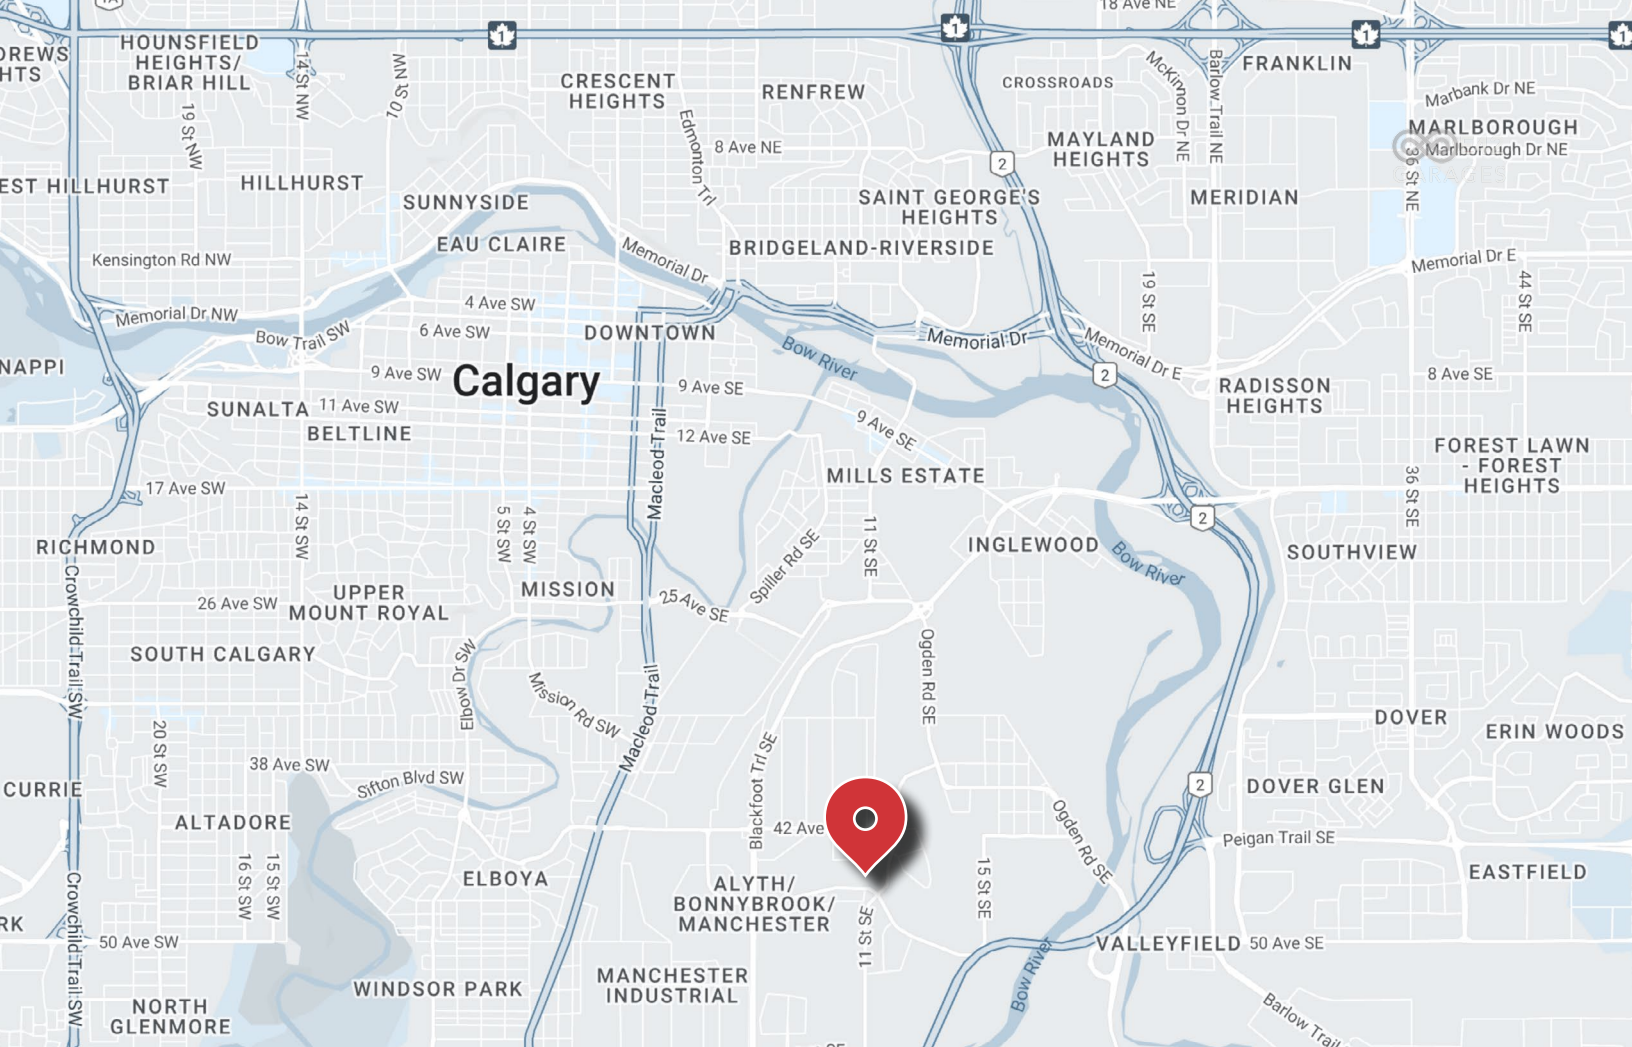

SPACIOUS

These garage units provide spacious and versatile spaces. If additional space is required, we offer the option of including a mezzanine, perfect for creating an entertainment hub or extra storage. Easy access is guaranteed making the space truly user-friendly.
