To whom it may concern,

Mike Harris the owner of two structures that we previously furnished was Manufactured by VP Buildings out of Turlock California and sold to James W. Harris of Harris Enterprise witch they erected, we are hereby providing the following statements that both of the buildings were complete standalone buildings manufactured according to the local building code requirements sealed with an engineer's Alaska stamp for the structural, see in the attachment above concerning the following.

There was one building delivered to 36130 Pine St. Soldotna, AK. 99669 in 1984, our Job # 8417, VP Buildings manufactures # 46583.

The other building was delivered to 36142 Pine St. in 1986, our job # 8647 and VP Buildings job # 49071 again see the

If there are any questions please feel free to call me.

Thanks!

Dick
