UWHARRIE BUSINESS PARK

TOWN OF TROY

Designated a North Carolina Main Street Community, the Town of Troy offers a quaint downtown and a jumping-off point for a region that attracts 1.3 million visitors annually. In addition to seven parks, an 18-hole golf course, and a dozen miles of outdoor trails, Troy provides access to Uwharrie National Forest. Visitors to the 51,000-acre national forest can enjoy hiking, cycling, horseback riding, swimming, boating, fishing, camping, and hunting.

The construction of NC Highway 24/27 Bypass, a four-lane median-divided limited access highway, has improved traffic patterns in the region and opened new opportunities for economic development through private investment. Current demographic studies show the demand for new commercial and residential development, particularly in the following categories:

HOSPITALITY
Hotels & full-service restaurants

HEALTHCARE
Medical office buildings & fitness centers

RETAIL
Convenience stores, gas stations, & fast food restaurants

RESIDENTIAL
Multi-family housing

The Town of Troy has purchased almost 100 acres at the intersection of Business 24/27 and the new Bypass. This area, named the Uwharrie Business Park, will be guided by a flexible master plan that promotes the values of Troy's communities while encouraging creativity in the architecture and landscaping of individual sites. Investors will be able to work directly with Town leaders to present development plans that will benefit all parties.
