# DORAL, FL

The city of Doral is one of 34 municipalities in Miami-Dade County, Florida. Conveniently located just 1-mile from Miami International Airport and 12-miles from Downtown Miami, Doral is home to nearly 82,000 residents and is just 15 square miles bordered on the west by the Ronald Reagan Turnpike, to the north by the Town of Medley, to the east by the Palmetto Expressway and to the South by the City of Sweetwater.

Recognized as an epicenter of international trade and commerce, Doral is well known as an excellent place to do business. Part of what makes Doral such an ideal place for commerce is its location. More than ±150,000 travel to Doral each day for work at one of its 9,000 businesses, including several Fortune 500 companies as well as government headquarters. With a business district among the most vibrant in South Florida, and duty-free warehouse space that attracts international trade, it's no wonder that Doral's economy represents many different sectors, including logistics, health and hospitality, flower imports, and the number one tile district in the country.

## SOUTH FLORIDA'S ECONOMIC ENGINES

Aside from excellent population growth, South Florida also benefits from being a critical logistics hub, with some powerful economic engines fueling further industrial demand. In particular:

### MIAMI INT'L AIRPORT ±5-mi or ±10-min from MCC

Post-COVID, MIA became the nation's busiest airport and the 11th busiest in the world. MIA ranks #1 in the nation regarding international freight and #3 in cargo traffic. An estimated ±83% of all imports and ±79% of all exports between the US and Latin America flow through MIA.

### PORT MIAMI ±15-mi from MCC

It currently handles over 1.1M TEUs and has experienced a tremendous ±18% increase in volume in recent years. The Port contributes an estimated \$43B to the economy, which is continuously growing.

### PORT EVERGLADES ±35-mi from MCC

Port Everglades is also one of the nation's leading ports, it handles ±1.1M TEUs and has continued to grow in efficiency and total volume. Interestingly, ±69% of the product that enters Port Everglades is destined for Miami.
