877-881 FEDERAL BLVD, DENVER, COLORADO 80204

SALE PRICE REDUCED!

Overview

Now for sale and for lease is a mixed-use opportunity at 877 Federal Blvd. This is a strong play for both an owner-user looking to offset occupancy costs with in-place income, or an investor seeking a stabilized asset along one of Denver's main corridors.

The property is anchored by a long-term, well-established Comfort Dental franchise tenant, providing immediate cash flow, while still offering flexibility for an owner-user to occupy a portion of the building. For lease users, the available space offers a high-visibility location with strong frontage and access, well-suited for retail, office, or service-oriented uses.

Positioned just minutes from downtown with direct connectivity to major thoroughfares, the property benefits from consistent traffic counts and proximity to a mix of surrounding retail and dining amenities, making it a great option for both tenants and future ownership.
