## NEIGHBOURHOOD

### "FRIENDS & ROOMIES"

#### Approx. 39% of Households

Young, diverse, city dwellers, mostly young singles. More than a third are under 35, more than half are under 45. These young people are able to turn modest incomes into active social lives enjoying nightly entertainment and theatre. In their diverse neighbourhoods they enjoy cultural sampling and cultural influences. They find their entertainment on their streets and social media networks. Young and looking for romance, they frequent dance clubs, fitness centres, art galleries and sporting events.

### "SOCIAL NETWORKERS"

#### Approx. 12% of Households

More than 45 percent are under 35 years old, interests and lifestyle is comparable to "Friends & Roomies" simply a younger demographic. These twenty-somethings are ethnically diverse, have mixed educations and earn modest incomes from entry-level jobs. They take advantage of their lively urban streets to frequent bars, dance clubs, cinemas and art galleries.
