

Specifics about the Photovoltaic (PV) System

Nameplate Capacity (System Size kW): 22.62 kW

Module Manufacturer: S-Energy

Module Model: SN290M-10

Module Power Rating: 290 Watts

Module Type: Monocrystalline Silicon

Mounting Type: Fixed roof mount

Module Azimuth (compass heading): 225 degrees

Module tilt: 25

Module Quantity: 78

Inverter Manufacturer: SolarEdge

Inverter Model & Quantity: (2) SolarEdge SE10000A-US000NNR2

Inverter Nameplate Capacity (kW): (2) 10kW

Production Meter Manufacturer: SolarEdge

Production Meter Model Name: SE10000A-US000NNR2

Date of System Installation: 12/11/17

Interconnection Date: 1/12/18

Activation date: 1/12/18
