# HERITAGE DISTRICT OVERVIEW GILBERT, AZ

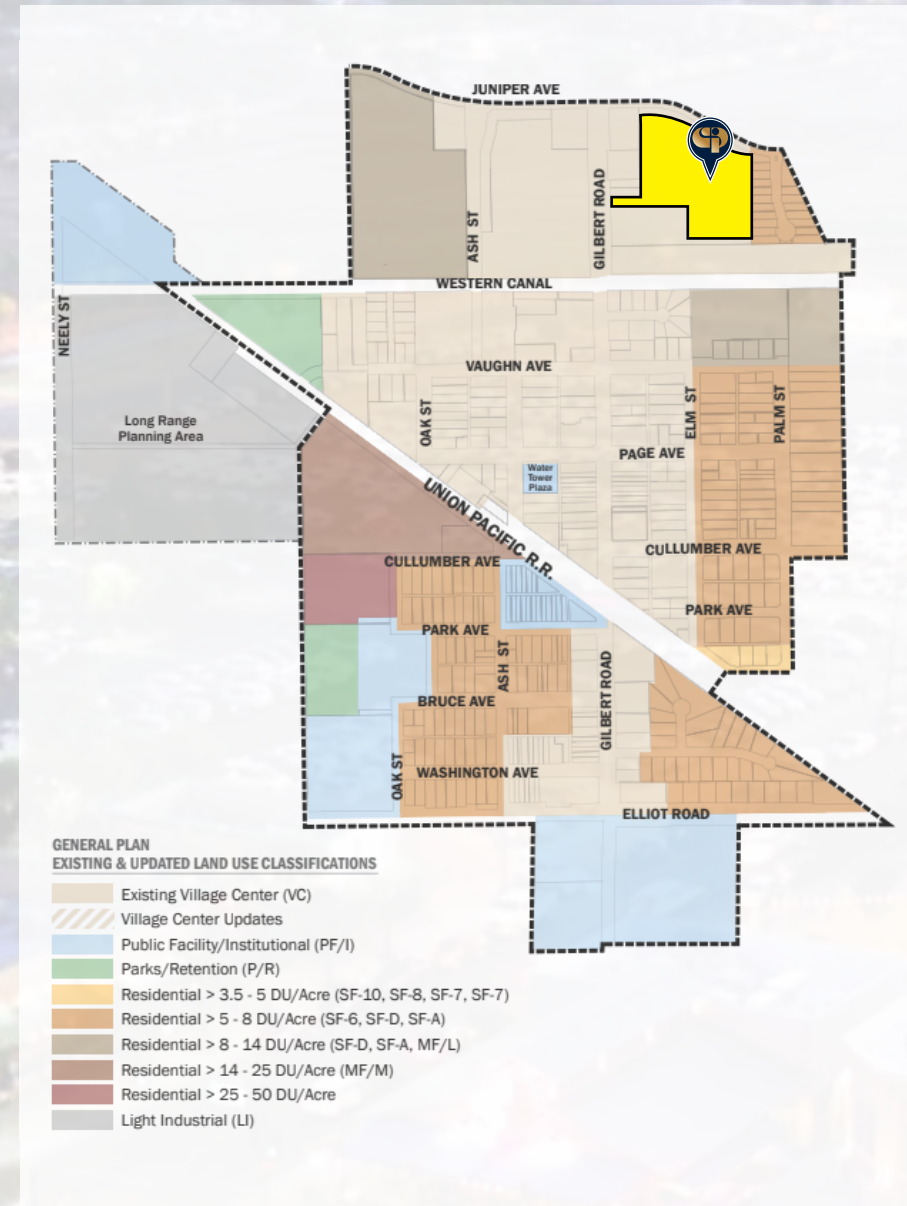

## gilbert HERITAGE DISTRICT

### About This Project

#### Overview

The City of Gilbert has been hard at work reinvigorating its Heritage District in order to create a downtown area that will serve as the heart of the community, providing a family-friendly environment that offers desirable places to work, gather, dine, shop, and more while retaining a small-town feeling in an urban setting. In doing so the city has been able to provide a variety of unique, attractive, vibrant and peaceful public plazas, parks, and paseos while still reflecting the town's railroad and agricultural heritage. The City of Gilbert has laid out a comprehensive Master Plan comprised of 6 redevelopment goals to promote this vision.
