FLORIDA PANHANDLE REGION

Over the past decade, the Florida Panhandle Region has grown by approximately 10–12%, with key markets like Navarre, Pensacola, and Tallahassee driving the trend.

The region now supports over 542,700 households and 656,260 housing units, with steady year-over-year increases in both ownership and rental demand. Multifamily construction has surged, with nearly 4,700 units under development and over 4,600 delivered in 2024 alone—more than double the 10-year average—while occupancy remains high at 92%. This residential expansion is fueled by major investments in military infrastructure (e.g., \$4.9B rebuild of Tyndall AFB), tourism, aerospace, agriculture, and new healthcare campuses.

Marianna, Florida is emerging as a high-growth investment market in the Panhandle Region, fueled by strong population gains—over 16% since 2020 and projected to reach nearly 27% by 2025—and a wave of economic development across manufacturing, logistics, healthcare, and public sector employment. Major employers like Pulse Industrial's new \$278M clean-tech facility and the 800-employee Family Dollar distribution center are creating jobs and drawing new residents to the area. Supporting this growth is a surge in residential development, including new subdivisions, apartment projects, and the transformation of over 300 acres at the former Dozier School site for future housing and mixed-use. The city is also investing heavily in infrastructure upgrades, downtown revitalization, and business-friendly initiatives.

TENANT SUMMARY

Starbucks, founded in 1971 in Seattle, Washington, is a globally renowned coffeehouse chain and is the largest provider of coffee in the world.. It began as a single store focused on providing high-quality coffee beans and equipment. The company's expansion took off when Howard Schultz joined in 1982, envisioning Starbucks as a place for people to enjoy freshly brewed coffee in a cozy, community-oriented atmosphere. Starbucks has since grown into one of the world's largest coffeehouse chains, with over 35,000 locations in over 80 countries. Beyond its iconic coffee offerings, Starbucks provides an array of beverages, including teas, refreshers, and specialty espresso drinks, catering to diverse tastes. The brand is known for its commitment to ethical sourcing and environmental sustainability, reflected in initiatives like the Coffee and Farmer Equity (C.A.F.E.) Practices and the use of recyclable materials. Starbucks also offers an assortment of pastries, sandwiches, and snacks to complement its beverages, making it a popular spot for breakfast and quick meals. With its mobile app and rewards program, Starbucks has embraced technology to enhance customer convenience. The company's financial performance has remained robust, benefiting from its global presence and loyal customer base. Overall, Starbucks has become an integral part of the coffee culture and continues to evolve to meet the demands of modern consumers.
