LOCATION DESCRIPTION

Northern Maine's Aroostook County is known for picturesque rolling potato fields, forests, lakes and rural landscape. Offering excellent public schools and post-secondary college educational opportunities, all the ingredients needed for success are present in a community that is supportive and welcoming of business and industry. The Green 4 Maine Campus at Loring abuts the 7,750 plus acres of US Aroostook National Wildlife Refuge which is an absolute thing of beauty to be seen and experienced by either walking or skiing over its 5 miles of developed trail system.

SITE DESCRIPTION

The Green 4 Maine Campus at Loring (also Known as the Loring Commerce Centre), formerly the Loring Air Force Base, is the Largest Commercial and Industrial Park in the State of Maine offering the longest airstrip (over 12,000 ft long) as a prominent and premiere Air Cargo Distribution Hub for national points of presence in Maine and beyond. The Green 4 Maine Campus at Loring is being positioned as the Epicenter of business, recreational tourism and on campus living where living the good life is the way life should be.

Home to over 45 new employers and 1,200 highly-qualified employees the Green 4 Maine Campus is expanding every day. With over 3,800 acres of developed area Loring has the capacity to support new business development with a variety of existing modern and practical buildings and developable land sites supported by high-capacity municipal utility infrastructure and a newly constructed dark fiber network as part of the 3 Ring Binder Fiber Project. The infrastructure is HERE, just come and PLUG-IN and you are off and running!!

The Green 4 Maine Program's Mission is a revitalization project with the focused objective of diversifying Loring into a vibrant, WORK, LIVE and PLAY, Green destination location. It will become the incubator hub for innovation, technology and creativity where there will be NO LIMIT on ideation. It will create a 100% Green Campus that will be self-sustaining and be "ENERGY POSITIVE", producing all its energy on premise within 5 years' time focused on renewable energy projects. The Green 4 Maine mission is interwoven into the fabric of the Communities of Aroostook County to provide future jobs and economic stimulus for the entire region.
