DOWNTOWN SAN DIEGO

Downtown San Diego is the vibrant core of a **highly resilient tourism economy that generated approximately 32 million visitors and \$22 billion in economic impact during fiscal year 2024**. Its mix of beachside leisure, conventions, and annual marquee events like Comic-Con (which delivers up to a 400% sales surge for local shops) underscores the area's importance to vendors and restaurants.

Major new initiatives like a **\$50 million funding increase by the Tourism Marketing District** aim to boost hotel stays and marketing efforts into 2026. Together, these tourism-driven dynamics make downtown San Diego a fulcrum of economic vitality, cultural attraction, and urban renewal.
