# FLEX SPACE, YOUR DESIGN

Peachtree Corners Flex Center is an eight building, single-story, shallow-bay, flex project sited on 12.93 acres and located in Atlanta's dynamic Peachtree Corners' submarket, the hub of Atlanta's technology innovations over the past three decades.

The Project contains approximately 158,740 rentable square feet and with 475 parking spaces on a campus like setting

The Property boasts immediate access to and from Peachtree Industrial Boulevard and less than five miles from I-285, making it ideal for tenants looking for a cost effective and convenient location to Atlanta metro .

Peachtree Corners Flex Center offers companies the ability to define their company culture by utilizing efficient floor plans, soaring ceiling heights, plentiful natural light, and exposed ceilings amid open flexible floor plans. Design a workspace that can accommodate a 2,500 square foot start-up to a 10,880 square foot modern workplace.
