## Site Plan Information

Northlake Industrial Park

### Site Plan Narrative:

The Northlake Industrial site comprises 7.61 ± acres of vacant, raw, industrial land with largely level topography. The property is in the final stages of entitlement and is planned to be delivered full entitled and construction-ready. Sewer service available to be connected and extended to site via a Developer Extension Agreement (septic is also an allowed option).

Due diligence materials, including the Pre-App Letter, Critical Areas Report, Geotechnical Report, and Traffic Impact Study, are complete and available to qualified parties upon request.

A Binding Site Plan has been prepared and submitted for review, illustrating eight (8) development pads with dedicated wetland and stormwater management areas. This plan demonstrates the site's development capacity and can be changed while in review to suit buyers' needs. All onsite utility runs, storm detention, and offsite sewer extension engineering to be completed as well.

### Other Key Notes:

\*Pads may be combined or reconfigured to suit larger users NOW, while binding site plan is in process

\*The property may be acquired as one contiguous site.

\*Buyers can adjust circulation, access, and building layouts to match their operational needs.

This unique combination of entitlement-ready status, zoning flexibility, and site configurability makes Northlake Industrial an attractive opportunity for a wide range of users.

## Location Overview

Northlake Industrial Park

### Location Overview

The property is located on 28th St NE between N Machias Road and Old Hartford Road in the Hartford Industrial Area of Lake Stevens, WA.

### Key Location Advantages:

~3.5 miles to Hwy 9

~7.5 miles to US Hwy 2

~10 miles to I-5 and Everett

Close to Port of Everett, Paine Field, and regional distribution routes

Lake Stevens has grown from 8,000 people in 2008 to over 41,000 people in 2025\*. In response to this incredible growth the city has invested heavily in infrastructure, annexation, and zoning initiatives to support employment land growth. The Hartford Industrial core has been identified as one of the city's primary economic growth centers\*\*, making this site a strategic location for long-term industrial use.

## Market Overview

Northlake Industrial Park

### Market Overview:

Lake Stevens has identified the Hartford Industrial Area as a key growth district, investing in infrastructure and zoning to support contractors, trades, and small-scale industrial users.

### What it means for you:

- \*Room to grow → Land delivered shovel-ready with flexible industrial zoning
- \*Pro-business city → Rezoning and annexations to expand employment land
- \*Easy access → Hwy 9, Hwy 2, and I-5 within minutes
- \*High demand → Contractor yards and small industrial pads are scarce in Snohomish County

**Shovel-ready industrial land in Snohomish County is almost impossible to find — especially with this much flexibility.**
