UPSTATE SOUTH CAROLINA

Greenville continues to make headlines for its recent accomplishments and growth with virtually no indication of reduced momentum. Corporations across multiple sectors are growing their Research and Development activities with the support of local academic institutions, while corporate headquarters provide a growing employment pool to various educational backgrounds. Health and Medical facilities are abundant with Greenville Health System providing over 12,000 jobs, and tourism continues to grow under a well-appointed city management which provides beautification and creation of public amenities.
