SACRAMENTO REGION

The Sacramento region is well located in the California Central Valley at the foothills of the Sierra Nevada Mountains. Residents enjoy seismic stability and convenient access to various popular attractions such as Napa County's Wine Country, California's historic gold country, Yosemite, Lake Tahoe and San Francisco. Sacramento is also strategically located for business as air travel times to Los Angeles, Orange County, San Diego, Portland, Las Vegas, and Phoenix are all less than 90 minutes.

The 66,000,000 square foot Sacramento office market benefits from an influx and expansion of technology-related companies and financial services firms seeking:

- An affordable alternative for major corporations in Northern California
- Seismic stability
- Affordable housing and lifestyle choices for employees
- Proximity to the State Capitol
- Close to Lake Tahoe, the San Francisco Bay Area and the Napa Wine Country

These unique advantages are the reason that firms including NEC, Oracle Corporation, Franklin Templeton Fund, Vision Service Plan, Apple, Hewlett Packard, Intel, Wells Fargo, Pacific Bell and Bank of America have been motivated to relocate or expand in the Sacramento metropolitan area over the last 20 years.

GOLDEN 1 CENTER

Golden 1 Center sits in the heart of downtown Sacramento encompassing four city blocks. The arena is an indoor multi-use facility that accommodates sporting and top entertainment events, such as professional and collegiate sports, concerts, ice shows, indoor rodeo, indoor motocross, trade shows, large graduations, family shows, and other indoor entertainment.

DOWNTOWN COMMONS

Downtown Commons is a mixed-use development surrounding the Golden 1 Center the includes up to 1.5 million square feet of development, including 475,000 square feet of office space, 350,000 square feet of retail, a 250 room, 16-story Kimpton Hotel Tower and up to 500,000 square feet for residential units.

SACRAMENTO RAILYARDS

The 244-acre site will transform the historic Union Pacific site into a dynamic, urban environment featuring a state-of-the-art mass transit hub that will serve residents, workers and visitors. The Railyards will be a mixed-use hub for entertainment, retail, housing, office, theaters, parks, hotels, and museums.
