PROFESSIONAL BACKGROUND

Rosie Brunmeier has been active in the real estate industry for more than 60 years in sales, leasing, marketing and financing—with more than half of that at CBC Fisher Group. She was the first female agent to make the move to commercial real estate in Greater Mankato.

Client referrals are the key to her success. She has built her clientele by providing results, integrity, satisfaction, creativity, and experience. Several of her clients have been with her since the start of her career and have built their real estate investment portfolio with her trusted advise. Having been a commercial owner/operator herself, she understands her clients' concerns, goals, fears, and most importantly, their dreams.

Rosie's extensive experience in all areas of commercial real estate sales and leasing plus her sales and marketing background has earned her Regional, State and International recognition. Her gratification comes from being able to provide the understanding of what clients need and want. Her joy is matching clients with the right property and watching their businesses grow.
