

Your natural gas use over time

Jan 2020 to Jan 2021

— You - - Average - - Efficient

Although your usage for this month has **increased** compared to the same month last year, you still have one of the **most energy-efficient** homes within the South Jersey Gas service area. **Congratulations!**

Start reducing your energy usage and save.

Reduce Clutter and Save on Paper with Paperless Billing!

Let's make life a little easier with Paperless Billing. It's simple to enroll using My Account or give us a call to get started. We'll send you email alerts when your payment is due and you can conveniently pay your bill online. Eliminate clutter and save on paper which is better for the environment.

Enroll today at myaccount.southjerseygas.com or 1.888.766.9900.

We're Here to Help.

If you are struggling to pay your utility bills, help is available. Payment Assistance for Gas and Electric (PAGE) helps families in New Jersey pay their utility bills. Guidelines have changed for the PAGE program which may enable more New Jersey residents to take advantage of this state-funded assistance program. Check eligibility and apply online at njpoweron.org.
