

BRANDYWINE EXPERIENCE

FLEXIBILITY, CONVENIENCE AND STYLE, EXCLUSIVELY FOR BRANDYWINE TENANTS

Brandywine Realty Trust strives to provide best-in-class service and spaces. We are proud to introduce Bex—short for Brandywine Experience. Strategically located throughout Brandywine’s portfolio of properties, Bex offers elevated touchdown spaces where our tenants can work, recharge, and connect like never before.

HOW IT WORKS

Any Brandywine tenant can access Bex after contacting the Bex administrator in your area, and may reserve space after enrolling in our online booking system. If you’re a tenant in the building or close by, pop in and relax. If you want to work near home, but not at home, stop by. If you’re traveling to a different region, reserve your touchdown desk by the hour or by the day.

THE SPACE

Touchdown desk and conference space, chic lounge and kitchen areas, coffee service, free Wifi and more.
