Sedona Community Profile

FOR LEASE | \$19.00 SF/YR (NNN)

Sedona:

Located two hours north of Phoenix, and 30 miles south of Flagstaff, at 4,350 feet, Sedona's mild four-season climate and high desert terrain assure good year-round weather for retirees, vacationers and outdoor enthusiasts. Part of Sedona includes Oak Creek Canyon, a spectacular 16-mile gorge with streams and waterfalls between sheer rock walls, beckons hikers, campers and fishermen. It has been termed as one of the eight most scenic drives in America that many visit on their way to the Grand Canyon; 113 miles to the north. The famous old ghost town of Jerome is 28 miles to the west and the excitement of Las Vegas is a four hour drive away.

Sedona has approximately four million tourists per year; drawn by the magnificent scenery of Sedona and the outdoor activities available. Tourism is the largest sector of Sedona's economy.

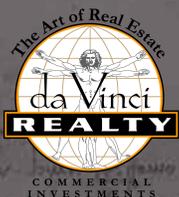

Since the turn of the millennium, the Verde Valley has seen the birth of five vineyards and wineries in the bucolic communities of Page Springs and Cornville; located just west of Sedona by less than 15 miles. These wineries are producing handcrafted, limited production wines in both white and red varietals as well as library wines and multi-grape bottlings. Several have been applauded by wine critics and have won national awards. In Sedona, plans are under way to develop the vineyard community of Bella Terra on Oak Creek on Upper Red Rock Loop Rd.

Sedona has almost 19 square miles, 51% of which are owned by private land owners, while the rest of Sedona is surrounded by 1.8 million acres of national forest land. Residents and visitors have instant access to recreational activities. Trails for hiking and biking, along with a number of jeep tracks, weave among the bristling forest of red rock pinnacles, spires, buttes and domes.

The art and mystical beauty of Sedona are prominent; while the near "perfect" weather make Sedona an attractive place to visit or reside by many.

Professional Background

Mark has been an active commercial real estate agent for over twenty-five years. He has enjoyed much success through those years; transacting commercial real estate in Flagstaff, Sedona, the Verde Valley, and Scottsdale, Arizona.

In 1999, he attained the Certified Commercial Investment Member (CCIM) certification. This certification is one which separates a commercial real estate agent from the general real estate agent. A CCIM is a recognized expert in the commercial and investment real estate industry and a CCIM is part of a global commercial real estate network with members across North America and more than 30 countries. This professional network has enabled CCIM members to close thousands of transactions annually, representing more than \$200 billion in value. As a result, the experts who possess the CCIM designation are an invaluable resource for commercial real estate owners, investors, and users.

As well, Mark served as a Planning and Zoning Commissioner for the City of Sedona for three years in order to familiarize himself with city development codes and act as a liaison between his clients and municipalities.

In 2003, Mark and his wife Leslie, moved to Flagstaff and opened da Vinci Realty which is a full service commercial real estate company offering brokerage, leasing, property management, and development opportunities.
