Market Context:

Located in Jacksonville's Butler/Baymeadows submarket, 8665 Baypine Rd benefits from the area's growing demand for high-quality office space. This submarket is known for its accessibility and proximity to major roadways, including US Highway 1, I-95, and I-295, offering businesses excellent regional connectivity.

The property is competitively priced at **\$18.75 per square foot**, which is below the submarket's average asking rent of **\$21.33 per square foot** for 1-3 Star properties, making it an attractive option for businesses seeking value in a prime location.

In addition to its strategic location and competitive leasing terms, 8665 Baypine Rd provides a modern office environment, recently updated in 2024. Tenants will appreciate the beautifully designed entry, abundant natural light, and serene surroundings, which contribute to a productive and welcoming workspace. The property is also close to dense residential areas, national retailers, and dining options, ensuring a balanced work-life environment for tenants and their teams.

Suite Layout Customization:

We understand that every business has unique space requirements. Our flexible layout options across three floors are designed to accommodate a variety of industries and operational needs. Whether you're looking for open-plan offices, private suites, or a combination of both, we offer the opportunity to tailor the space to suit your team's workflow and preferences.

- **Customizable Space:** Each floor can be reconfigured to meet your specific requirements. Whether you need open collaborative work areas, individual offices, or specialized rooms like conference or break rooms, we can work with you to ensure the layout fits your vision.
- **Divisible Spaces:** For smaller tenants or businesses that require less space, portions of each floor can be subdivided to create efficient, private suites without sacrificing comfort or functionality.
- **Tenant Improvements:** With available Tenant Improvement (TI) funding, we support your vision to enhance the space to reflect your brand, culture, and business needs. This funding can be used to upgrade finishes, install custom furniture, or make other modifications that best support your operational goals.
- **Flexible Floorplans:** Our floor layouts are designed with versatility in mind, offering the flexibility to expand or reconfigure as your business grows. The building's infrastructure allows for quick and efficient changes, helping you scale without disruption.

Let us help you create the ideal work environment that fosters productivity and aligns with your business goals. Whether you're expanding, relocating, or upgrading your workspace, 8665 Baypine offers the adaptability and support you need.
