The expertise you will find at Jameson Real Estate's Commercial Division applies to all types of transactions, from purchases to sales to leasing. We have specialists in multi-family, retail, office, land, industrial, and business real estate - the right fit for your commercial real estate needs.

Our Jameson Commercial professionals offer a wealth of experience and knowledge. Because of our day-in and day-out presence in the marketplace, we have an extensive database of clients and properties. Our commercial real estate brokers are familiar with the marketplace and have marketed a wide variety of property types using an array of sales methods. This experience ensures that your goals will be optimized.

Founders Charley and Harry Huzenis have been active in the real estate industry for over 30 years. Shortly after acquiring their real estate licenses, the Huzenis brothers started Jameson Realty Group in 1982. They grew the company from a traditional storefront brokerage into one of the city's foremost representatives of developers of both new construction and renovation projects. The company has been responsible for successfully marketing over 300 residential development projects.

Now, Chris Feurer, CEO brings his years of successful experience in almost every facet of real estate: sales, leasing, management, training, commercial, and development. Jameson Real Estate has quickly grown to a nearly \$3 billion dollar company to become one of Chicago's leading realty firms.

Here at Jameson, we operate from a CUSTOMER SERVICE MINDSET. Our staff members are committed to the OWNERSHIP OF THEIR WORK and take great pride in what they do. Our intent, across the organization, is to LISTEN WITH PURPOSE AND GUIDE to deliver successful results, as defined by you, our agents.
