## Property Highlights

- **Heavy-Duty Crane Infrastructure:** The facility is equipped with a fully operational 5-ton overhead crane, offering significant material handling capacity for industrial operations. In addition, crane rails are already installed to support the future addition of a second crane, presenting a cost-efficient opportunity to expand lifting capabilities without major structural modifications.
- **Comprehensive Fire Protection:** The property is fully sprinklered throughout, providing a critical layer of fire protection that aligns with industrial safety standards and may contribute to reduced insurance premiums. This infrastructure supports a wide range of manufacturing, fabrication, or storage uses that require enhanced fire mitigation systems.
- **Prime Accessibility to Major Highways:** Ideally situated just off Interstate 45 and Highway 225, the site benefits from direct access to two of Houston's key transportation corridors. This location enables efficient distribution logistics, regional connectivity, and rapid access to the Port of Houston, industrial submarkets, and labor pools.
- **Multiple Oversized Grade-Level Doors:** The building features four oversized grade-level doors, enabling seamless movement of large vehicles, machinery, and equipment. This configuration enhances operational flexibility for users requiring frequent loading and unloading, and supports drive-in capabilities for larger fleet vehicles or trailers.
- **Laydown Yard:** The property includes laydown yard, providing valuable outdoor space for equipment staging, material storage, or future development potential. This yard area adds functional versatility for users engaged in logistics, construction, or industrial fabrication requiring exterior operations.

## Information About Brokerage Services

*Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.*

11-2-2015

### TYPES OF REAL ESTATE LICENSE HOLDERS:

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

### A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

### A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

**AS AGENT FOR OWNER (SELLER/LANDLORD):** The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

**AS AGENT FOR BUYER/TENANT:** The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

**AS AGENT FOR BOTH - INTERMEDIARY:** To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
  - that the owner will accept a price less than the written asking price;
  - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
  - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

**AS SUBAGENT:** A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

### TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

**LICENSE HOLDER CONTACT INFORMATION:** This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
