# Prime LOCATION

# PRIME CULVER CITY

UPSCALE ENVIRONMENT ■ EXCEPTIONAL DESTINATION

11444 W Washington Blvd is strategically located in the heart of Culver City's dynamic Washington & Sepulveda commercial corridor—one of West Los Angeles' most active and rapidly evolving medical, retail, and creative office hubs. Although the property holds a Los Angeles address, it sits just steps from the Culver City border, offering the unique advantage of proximity to premier amenities and institutions that define the area. It enjoys excellent access to major transportation arteries, including the 405 and 10 Freeways, and is just minutes from the Culver City Metro E (Expo) Line, providing seamless connectivity to Downtown Los Angeles, Santa Monica, and beyond.

The property is surrounded by some of the most influential names in media and technology, including Apple, Amazon Studios, HBO, Vox Media, Sony Pictures, and the iconic Culver Studios—creating strong daytime traffic and an ecosystem of innovation that supports a high-demand, high-income customer base. This prime location offers visibility, convenience, and long-term positioning in one of LA's most sought-after investment corridors.

# AREA SNAPSHOT

Culver City's prime location has magnetized various businesses, fueling rapid economic growth and creating abundant job opportunities, making it a desirable professional hub. The thriving economy offers diverse employment prospects, attracting many skill sets. The city's economy has experienced significant growth, contributing to its status as an economic powerhouse. Culver City's economy continues to flourish, drawing in businesses and professionals alike, further solidifying its position as a lucrative business center. This dynamic landscape fosters a prosperous community, reflecting the city's resilience and vibrant economy. Culver City's economic foundation is bolstered by the presence of established employers, contributing to the city's overall prosperity and development.

**Job Creation:** Silicon Beach has become a major source of job creation in the Los Angeles area. Tech companies, startups, and digital media firms in the region employ thousands of people across various roles, including software development, marketing, design, and business operations.

**Innovation and Entrepreneurship:** The ecosystem fosters innovation and entrepreneurship, leading to the development of new technologies, products, and services. Entrepreneurs and innovators in Silicon Beach work on cutting-edge projects, contributing to the overall technological advancement.

# LOCAL ECONOMY

The Culver City office market encompasses approximately 5.74 million sq ft of office space, with nearly 60% classified as Class A, firmly establishing the area as a premium destination for high-end tenants. While average asking rents hover around \$44.89 / sq ft, Class A space commands closer to \$49 / sq ft.

**On the retail and medical front, the market remains even stronger. Retail vacancy in Culver City is extremely low, at just 5.4%, demonstrating persistent demand for ground-floor and patient-driven uses.**

# Economic Anchors

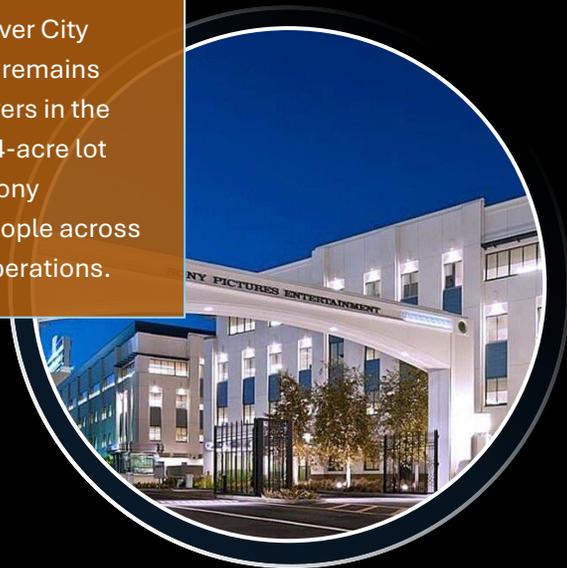

*Amazon Studios*

Amazon has rapidly become one of Culver City's most transformative economic anchors. In 2021, the company signed a lease for more than 530,000 square feet at the historic Culver Studios and adjacent Ivy Station developments, establishing a major West Coast headquarters for its entertainment division.

A long-standing fixture in the Culver City economy, Sony Pictures Studios remains one of the largest private employers in the region. Occupying a sprawling 44-acre lot just south of Washington Blvd, Sony employs approximately 3,000 people across film, television, and corporate operations.
