Property History

Originally constructed by the Daughters of Charity of Saint Vincent de Paul in 1875, the brick-and-sandstone Italianate structure was the first English speaking school in the Santa Barbara area. Saint Vincent's institution sold the building in 1930 to the Knights of Columbus Council. For the next 50 years it served as the fraternal lodge hall.

The structure was completely restored and upgraded in 1982, including but not limited to new electrical, plumbing, HVAC and seismic retrofit. Careful attention was paid to maintaining the integrity of the original design. At this time the building was placed on the National Register of Historic Places.

SANTA BARBARA THE AMERICAN RIVIERA

Symbolizing the ultimate in casual California lifestyle, Santa Barbara is undoubtedly one of America's most desirable destinations in which to live and travel.

Located on a pristine coastline approximately 332 miles south of San Francisco and 92 miles north of Los Angeles, Santa Barbara is nestled between the Pacific Ocean and the Santa Ynez Mountains. This stretch of coast is known as the "American Riviera" because of its mild Mediterranean climate.

With a population of approximately 87,000, Santa Barbara is both small and vibrant. Locals and visitors are drawn to the city's charming downtown and picturesque State Street with its rich Spanish architecture and historical sites, wide variety of shops and galleries and numerous Zagat-rated restaurants. Pristine, sunny beaches, an expansive harbor and countless attractions including the Santa Barbara Zoo, Santa Barbara Mission, Arlington Theatre, Stearns Wharf, Santa Barbara Museum of Art and Santa Barbara Museum of Natural History all add to the area's appeal. And with nearly 200+ vineyards within a short drive, Santa Barbara County is a renowned wine region offering an array of some of the finest labels in the world.
