Spartanburg's Premier Business Park

Corporate Center is Spartanburg's premier business park located on I-85 Business. It is comprised of 400,000 square-feet of flexible office, manufacturing and warehouse space with plans to expand to 1.5 million square-feet in development to ensure tenant's immediate and long-term needs are fulfilled. Tenants are provided an unique experience with an on-site designer and architect ready to customize the space to fit both their immediate and long-term occupancy and expansion needs.

- Ideally located along the I-85 business corridor with easy interstate access and connections
- 3 international airports serve Upstate South Carolina
- Situated on 193 acres
- Space available : ±50,000 square feet and beyond
- Wide column spacing
- High ceilings with ability to create mezzanine
- Loading docks at rear service area
- Exterior walls with high insulation rating
- Extensive window walls allowing for flexible floor plans
- 100% sprinkled
- **Lab-ready and office space available,** in addition to warehouse space.
- ±350 automotive, advanced material, aerospace, energy and bioscience industries make up over 30% of the local economy
- Logistical advantages include accessibility to the South Carolina Inland Port in Greer (SCIP), located ±19 miles from Corporate Center and the Port of Charleston, the most productive container port in North America.
- The SCIP opened in 2013, linking the upstate of South Carolina to the Port of Charleston via an overnight Norfolk Southern rail service and
- As of 2022, the SCIP moved nearly 2.8 million TEU.
- Many companies are developing distribution facilities near the SCIP to take advantage of lower costs and efficient logistics

UPSTATE SOUTH CAROLINA

Comprised of Spartanburg, Greenville and the surrounding cities, the Upstate region of South Carolina boasts a top-ranked pro-business climate, exceptional quality of life and a world-renowned research environment supported by quality institutions of higher learning. The region consistently earns a low cost-of-living ranking among large US metropolitan regions, allowing a higher quality of life at a lower cost for the region's residents.
