

ZUMBROTA
HEALTH SERVICES

MULTI-USE SPACE AVAILABLE FOR LEASE

Zumbrota Health Services is offering a 3,595 square foot multi-use office space located in the bottom level of Zumbrota Health Services building. Previously used as a multi-room childcare facility, the space has a separate entrance located at the bottom floor of the building with an attached parking lot.

The area features a large 1,506 square foot space with the ability to divide by built-in partition, as well as 3 other large rooms, office space, and multiple bathrooms. Built-in cabinets and sinks in the rooms make for excellent classrooms, meeting rooms, medical offices and more.

Zumbrota Health Services is a faith-based non-profit senior living campus and we are seeking to partner with a tenant to create a space that is beneficial to the Zumbrota community and its residents. Please contact us for more information.

For more information, please contact Zumbrota Health Services Administrator Amy Salchow at 507-732-8132 or amy.salchow@sfhs.org.
