ARTICLE XVIII. LI—LIMITED INDUSTRIAL DISTRICT

Sec. 36-508. Purpose.

This district is composed of those areas of the township whose principal use is or ought to be light manufacturing and other limited industrial uses. These uses generate a minimum of noise, glare, odor, dust, vibration, air and water pollutants, fire, explosive and radioactive hazards, and other harmful or obnoxious matter. This district has been located within the township to permit the development of these industrial uses, to protect adjacent agricultural, residential and commercial areas against the encroachment of incompatible uses, and to lessen congestion on public streets and highways.
