2575 E VENICE AVENUE
VENICE, FLORIDA 34292

OFFERING SUMMARY

Sale Price:	\$2,999,000
Lot Size:	434,579 SF

PROPERTY DESCRIPTION

Very little to no wetlands, 957 ft of frontage, and shovel ready.

Future land use information: MODERATE DENSITY RESIDENTIAL recognizes existing development between two and less than five dwelling units per acre. The moderate density designation also applies to all vacant residential parcels within the Urban Service Areas that have no special characteristics to qualify them for high density or restrict them to a low density.

Implementing Zoning Districts: RSF-1; RSF-2; RSF-3; RSF-4; RMH; RE-3; OUC; PUD; GU

There are many current available impact fee credits available to assist a purchaser with utility attachments in the area, due to the sellers ability to foresee great value to having their parcel attached to the Sarasota County Curry Creek Service Areas already. This great opportunity saves a buyer significant time and investment costs. A rare opportunity to get ahead of development and be completed with the project and ripe for market share, bringing this parcel much closer to Shovel Ready!
