A new mixed-use arts hub is being realized in East Village through the redevelopment of a 100-year-old vacant industrial complex that will house two local arts non-profits and include approximately 5,300 square feet of affordable artist studios, an art gallery, and 4,000 square feet of creative retail – all connected by a 2,000-square-foot courtyard.

## Greatwater Homes

Greatwater hopes to build out an initial phase of 23 houses on both sides of Fischer Street over the next year to a year and a half.
