Honor Health

- Honor Health has six hospitals across metro Phoenix. Five hospitals have achieved Magnet status, the gold standard for nursing care, an honor earned only by 6% of the nation's hospitals
- Honor Health Scottsdale Thompson Peak Medical Center is a premier 120-bed facility offering in-depth medical, surgical and emergency care services and is recognized as one of "America's 100 Best Hospitals" across several service lines

Mayo Clinic:

- Will add nearly 2,000 jobs to the existing 8,545 current employees with a \$748 million expansion
- Will add 1.4 million square feet of building space and increase inpatient beds from 280 to 374 by 2023
- The project includes adding a six-story patient tower, a three-floor addition to an existing building, a three-story facility for an expanded emergency room and additional parking

Ilume:

- Building is fully lab enabled for health or biotech companies who need lab space
- The building includes 267,000 square feet of office space, 38,000 square feet of lab space and 67,000 square feet of research and development space. It totals four stories and also includes a 110-person auditorium

Health Futures Center:

- The Health Futures Center represents the collaboration between Arizona State University and the Mayo Clinic with the shared goal of improving health and well-being outcomes to the community
- The center offers the ASU community a chance to participate in a world-class research, innovation and learning environment. The leading-edge facility features a med-tech innovation accelerator, biomedical engineering and informatics research labs, and an innovative education zone

City of Hope:

- City of Hope offers multidisciplinary care teams led by experts focused on diagnosing and treating cancer
- At One Scottsdale Medical, they will expand patient access to personalized, leading-edge cancer care, uniting their shared commitment to high-quality, compassionate care that puts patients first. City of Hope doctors are collaborating to enhance patient care across their national system while connecting more patients to innovative treatments and expert care

Scottsdale's Cure Corridor

- From education and research, to clinical trials and patient care delivery, it's happening in Scottsdale.
- 36 different medical facilities all located within a 10 mile radius
- 3 of the 5 largest healthcare employers in Scottsdale
