This 5,932 sq. ft. custom-built office building was thoughtfully designed to accommodate two separate tenants or professional practices while maintaining a polished, cohesive presence. Each side enjoys its own private entrance and address, with shared access to a central boardroom, making the layout ideal for owner-occupants, investors, or co-tenancy operations.

## Layout & Features

Each of the two office suites—nearly 3,000 sq. ft. each—includes:

A spacious reception and waiting area

6-8 large private offices per side, ideal for executives or professional teams

2 restrooms per side

A full kitchen and conference room

Separate utilities, ensuring independence and flexibility for each tenant

The shared boardroom offers a professional common space for larger meetings, presentations, or collaborative gatherings.

## Location Highlights

Situated in the heart of Northwest Oklahoma City, this property offers both prestige and convenience.
