SITE IMPROVEMENTS

- Curbs, Gutter and 7.5 foot wide sidewalk all along Waterman Road, plus improvements along Charolais Way and Wayne Heintz Street
- New, professionally designed landscaping to be installed along Waterman Road, Charolais Way and Wayne Heintz Street
- Concrete aprons to be installed at pre-determined ingress and egress locations along Waterman Road, Charolais Way and Wayne Heintz Street.
- New state-of-the-art signalized intersection to be installed at the corner of Waterman and Wayne Heintz Street
- ±22-foot road widening of Waterman Road with new asphalt and turn-in lanes into site. This well designed/engineered widening will allow for easy and safe access into the development
- High-end 8-foot wall (along the split face block, design enhancing pilasters & top cap) installed full length of the east parcel line
- Each parcel will be very near “finish grade” with approved/inspected compaction from front area of parcel all the way to the back wall
- Water connection stubbed to each parcel
- Sewer connection stubbed to each parcel
- SMUD connections stubbed to each parcel
- Cable/internet available to each parcel (Comcast & Frontier)
- New street lighting
- Manholes installed and drainage lines installed
- The latest model of new SMUD power poles installed along Waterman
- Environmental fees paid (Wetlands and Swainson Hawk mitigation fees paid)
- Historical/Cultural inspection cleared and fees paid
- Renderings of prospective new buildings already designed with a high-end look and a standard that will lead to a cohesive, aesthetically pleasing overall project
- An Association will be in place to ensure proper maintenance that will ensure the project remains looking top-notch
- Property values enhanced through these site improvements with the idea of maintaining and increasing value long term for buyers
