Capital Investment, LLC, as Exclusive Agent for the Seller, is pleased to present the Metropolitan Medical Center located at 6323 Georgia Avenue NW, a 43,683 SF Medical Office Building set on a 0.78 acre corner lot in Northwest Washington, D.C. (the "Property"). The ADA compliant Property includes an on-site pharmacy, a laboratory and two emergency power generators.

Among the anchor tenants at the Metropolitan Medical Center is USA Vein Clinics. With over 150 locations, USA Vein Clinics is the largest provider of vein and other vascular procedures in the country. The company has recently extended their lease at the Property to 2029 and has doubled the size of their office space.

In addition to the Medical Office Tenants, there are long term leases in place with the U.S. Postal Service and T-mobile. The USPS signed 5-year option extension expires in 2030 and T-mobile in recent years increased the footprint of their cell tower leases on roof.

The property is embedded in the community and located at the intersection of four of the most vibrant neighborhoods in Northwest D.C.: Manor Park, Brightwood, 16th Street Heights, and Petworth. The Parks at Walter Reed is only 4 blocks to the north and is a billion dollars 3.1 million square feet development which includes residential, retail, and office space.

Nearby amenities include Walmart, Safeway, and the newly opened Art Place at Fort Totten. Brightwood's central location ensures excellent connectivity, with easy access to major transportation routes and metro stations such as Takoma Park, Georgia Avenue-Petworth, and Fort Totten, allowing easy travel throughout Washington, DC, and downtown Silver Spring, MD.

INVESTMENT HIGHLIGHTS

- Established medical office building serving a dense urban community
- Long term anchor tenants United States Postal Service and USA Vein Clinics
- Constrained market: no comparable medical office building within miles
- Strong and growing demand for small doctor space
- Changing demographics in developing neighborhoods like Petworth and Brightwood
- Located on the corner of two highly trafficked roads that sees ~40,000 vehicles daily

PROPERTY HIGHLIGHTS

- Ideally located at main intersection serving as the medical center for the community
- Multi-level office building with two backup generators
- Bus stop for multiple bus lines directly at front of property offering door-to-door service for walk-in clients
- U.S. Postal Office is served by an independent entryway giving the appearance that there are two buildings on site
- New HVAC equipment replaced by current owner
- Solar panels on roof provide reduced energy costs
- T-mobile has invested over a million dollars installing cell towers that guarantees income for many years to come

TENANT SPOTLIGHT

USA Vein Clinics is a leading healthcare provider dedicated to treating vein disorders with a patient-centric approach. Established with a mission to improve lives through innovative and effective treatments, USA Vein Clinics specializes in non-surgical procedures for varicose veins, spider veins, and related conditions.

With over 150 locations around the country, USA Vein Clinics is the largest provider of vein and other vascular procedures in the country. Although the company has many locations throughout the region, the Metropolitan Medical Center is the sole location the company has in the District of Columbia. The company became a tenant in 2015 and has done so well in the location that in 2022 that they signed a lease amendment to double the size of their space and extend their lease to 2029. The new space will house a state of the art Cath Lab.

The United States Postal Service (USPS) is a vital institution that facilitates the delivery of mail and packages across the nation. Established in 1775, it has grown into a cornerstone of American infrastructure, serving both urban centers and rural communities with equal dedication. USPS operates a vast network of post offices and distribution centers, employing hundreds of thousands to ensure reliable and efficient delivery. Beyond mail, USPS offers a range of services including money orders and passport applications, embodying its commitment to serving the public and connecting Americans nationwide.

USPS has been a tenant in the building since 1985 and the last signed 5-year option extension was signed earlier this year and expires in 2030.

T-Mobile stands out as a major force in the telecommunications industry, offering extensive coverage and a range of innovative mobile services tailored to meet diverse consumer needs. Established in 1994, T-Mobile has grown to become one of the largest wireless carriers in the United States. Known for eliminating contracts, simplifying pricing, and pioneering 5G technology.

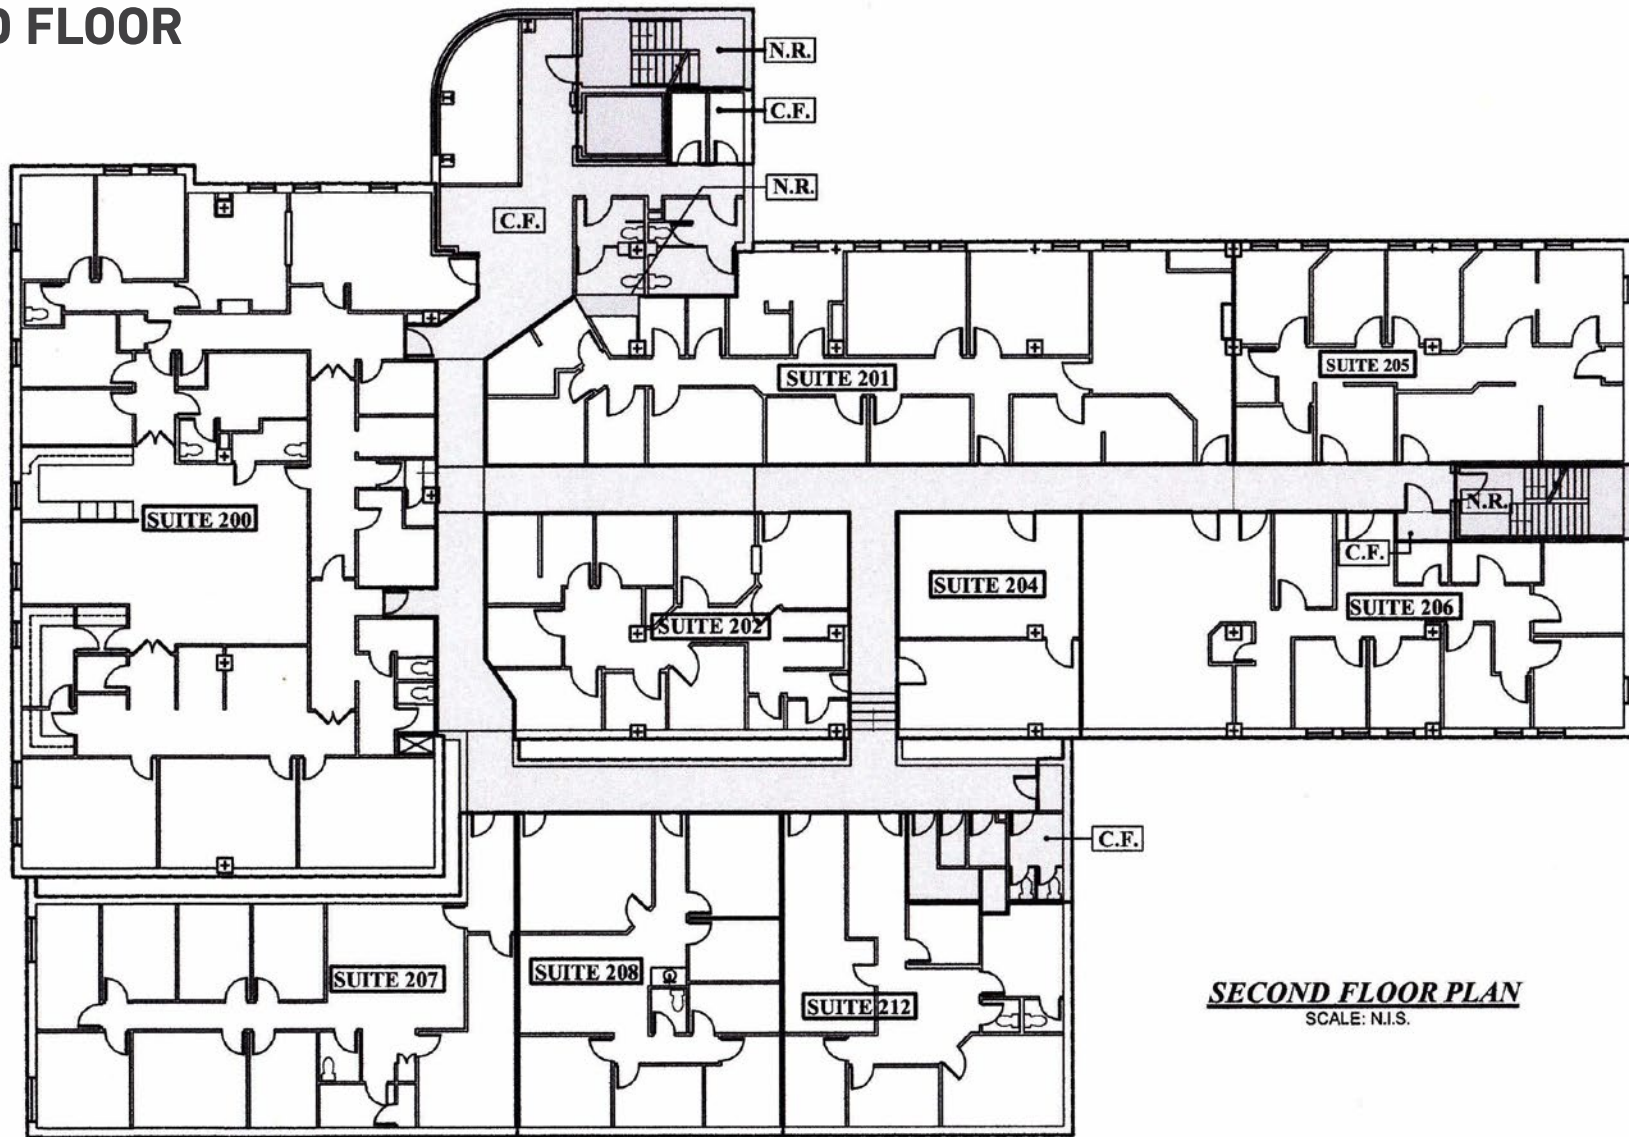

In 2018, T-Mobile invested over a million dollars in the construction of cell towers on the roof of the building and in 2021 they signed a lease amendment adding additional equipment. The lease expires in 2026 with 3 five year options to extend their lease and a development clause in case the property owner wants to redevelop the property one day.

- The development will include about 220,000 square feet of retail space, over 300,000 square feet dedicated to office and ambulatory care facilities, a 200-key hotel with a conference center, a high-performing language-immersion school, and 30,000 square feet allocated for creative and arts purposes.

RIGGS PARK PLACE

- The project will feature 90 multifamily townhome units along with 10,000 SF of retail space.
- Constructed in 2022 by Paramount Development.
- Situated in the Fort Totten neighborhood and moments to Metro with Red, Yellow, and Green Line trains and easy access to shopping and DC destinations, these modern townhomes offer open floorplans and sophisticated features to help you create an ideal urban lifestyle.
- Pocket parks and streetscape offer inviting gathering spots.

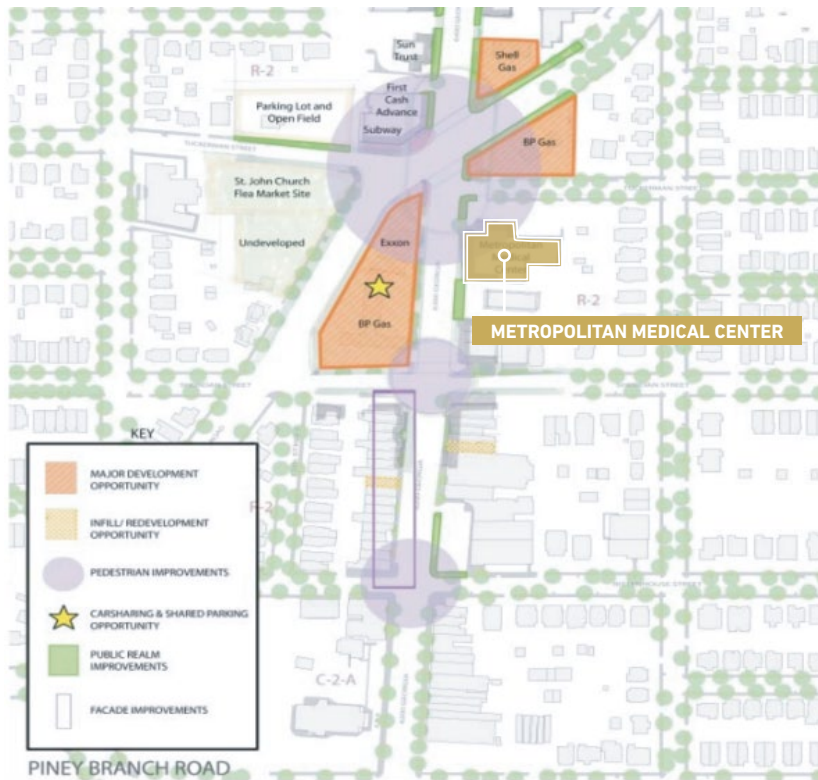

ART PLACE AT FORT TOTTEN PHASE II

- The new town center development will include 294 residential units spread over three mixed-use buildings featuring a 35,000 SF food collective, 27,000 SF of retail, a 32,000 SF interactive art experience, including a 27,000 SF Explore. Children's Museum, a 24,000 SF Aldi grocery store, and over 40,000 square feet of community event space.
- A transit-oriented, 200,000,000 SF mixed-use development located near Metro, Art Place will help to transform this section of DC into a creative and walkable destination.

DEVELOPMENT OPPORTUNITIES

Defined as a Major Development Opportunity by the DC Office of Planning. The DC Office of Planning regularly identifies and promotes major development opportunities within Washington, D.C. These initiatives are crucial for urban growth and community enhancement. They typically involve large-scale projects that aim to revitalize neighborhoods, improve infrastructure, and attract businesses and residents.
