BRAGA DR,
BROADVIEW, IL 60155

EXECUTIVE SUMMARY

2415 Braga Drive is a well-maintained $\pm 16,375$ square foot industrial facility situated on a $\pm 30,888$ square foot site in the heart of Broadview's established industrial corridor. The property offers a highly functional layout with two interior dock-high positions, one drive-in door, clear heights of approximately 13 to 14 feet, and a modernized office component totaling $\pm 2,000$ square feet.

Recent improvements, including new windows, mechanical updates, and the installation of 18 solar panels, enhance operational efficiency and support lower utility costs. The building features a 2011 modified bitumen roof, wet sprinkler system, and an improved surface lot providing ample parking.

Its strategic location near major highway materials makes 2415 Braga Drive an attractive, move-in-ready option for a wide range of industrial users seeking accessible, well-maintained space in a supply-constrained submarket.
