"With the most vibrant history of all Airstream travel trailers, the Classic is built for people committed to a life well-lived. Designed and equipped for long-term adventures, the Classic epitomizes the traditional craftsmanship, innovation, and durability that's made Airstream an icon of the American highway.

Abundant storage capacity, elegant design, private sleeping quarters, and spacious living areas for entertaining old and new friends alike. Everything we have learned from decades of experience on the open road has gone into creating the best in comfort, convenience, and style.

You'll feel right at home no matter how far you roam."
