

Medical Space Available For Lease 211 Broad Street Red Bank, NJ 07701

Two Eleven Broad, located on the main office corridor in charming Red Bank, NJ is an innovative adaptive reuse of a 62 year-old First Church of Christ Scientist.

The conversion of the building transformed over 13,500 square feet of space into business and professional offices of varying sizes and layouts.

There is a community art gallery in the building's common area providing exhibition space for local artists on a pro bono basis. This provides a welcoming environment for tenants and their visitors, enhances connectivity with the community, and maximizes the use of energy and resources by utilizing existing space for multiple purposes.

The building also offers a common conference room that is available to the Tenants upon request.
