

MONARCH

Approximately 2,097 Square Feet

With over 2,000 square feet of space, the Monarch's 4 bedroom, 2 bath design is ideal for a growing family or anyone who likes having lots of company. The master bedroom includes two walk-in closets and a private bath. A

second full bath serves the three other generously sized bedrooms. The Monarch features both a large family room and a formal living room, a dining room, a spacious kitchen with lots of counter space, and an indoor utility room.
