ABOUT WESTPORT, CT

The coastal town of Westport is approximately 20 square miles, with a population of 27,095. **Westport has remarkably high average household income of \$307,092**, over three times the U.S. average and more than double the average for the State of Connecticut.

A destination shopping area, Westport draws customers from a distance, as well as local residents. Like Greenwich, Westport offers a mix of upscale local, regional and national retailers that are rarely found together in a Main Street type environment, attracting shoppers from up and down Connecticut's gold coast.

Westport is **Bloomberg's 23rd Wealthiest Town in the US** in 2020 and was named in Lendedu's Top 500 Cities to Start a Small Business. Further, in 2019 Westport ranked #1 in Patch's Best Small Cities in America.
