Owner has Retired – Re-brand or re-open. Purchase the building and Owner may train his recipes. For more than four decades, this distinguished restaurant, Moro's has been serving exquisite, high-end cuisine to a loyal clientele, with many guests traveling from as far as 25 miles to experience its signature dishes. With the same dedicated Owner/Chef at the helm, the restaurant has built a legacy of elegant dining, specializing in table-delivered delicacies such as veal, shrimp, and a range of other delectable options, as well as unique, table-prepared dishes.

Now, after years of passionate dedication, the owner is ready to pass the torch to a new owner who shares the same commitment to quality and tradition. The current owner is
