NEW JERSEY REALTORS®
SELLER'S PROPERTY CONDITION DISCLOSURE STATEMENT

©2018 New Jersey REALTORS®

1 Effective August 1, 2024, the New Jersey Real Estate Consumer Protection Enhancement Act, P.L.2024,c32, requires sellers
2 of residential property located in New Jersey to complete and sign a property condition disclosure statement as promulgated
3 by the New Jersey Division of Consumer Affairs pursuant to N.J.A.C. 13:45A-29.1. This requires all sellers of residential
4 real estate to provide the property condition disclosure statement to a prospective buyer before the prospective buyer
5 becomes obligated under any contract for the purchase of the property.

6
7 Additionally, the New Jersey Law of Flood Risk Notification, P.L.2023,c93, requires sellers of all real property located in
8 New Jersey to make certain supplemental disclosures concerning flood risks on the "Flood Risk Addendum" incorporated
9 within the property condition disclosure statement. As a result of these two laws:

- 10 • All sellers of **residential property** must complete Questions 1-108 on the property condition disclosure statement; and
- 11 • All sellers of **residential and non-residential (i.e. commercial)**, must complete the Flood Risk Addendum,
12 Questions 109-117, on the property condition disclosure statement.

13
14 Moreover, regarding the property condition disclosure statement, the New Jersey Division of Consumer Affairs has provided
15 the following instructions:

16
17 *The purpose of the Property Condition Disclosure Statement ("Disclosure Statement"), including the Flood Risk Addendum, is to disclose
18 the condition of the property, as of the date set forth on the Disclosure Statement or Flood Risk Addendum. The seller is under an
19 obligation to disclose any known material defects in the property even if not addressed in this printed form. The seller alone is the source
20 of all information contained in this form. All prospective buyers of the property are cautioned to carefully inspect the property and to
21 carefully inspect the surrounding area for any off-site conditions that may adversely affect the property. Moreover, this Disclosure
22 Statement is not intended to be a substitute for prospective buyer's hiring of qualified experts to inspect the property.*

23
24 *If a property consists of multiple units, systems and/or features, please provide complete answers on all such units, systems and/or
25 features even if the question is phrased in the singular, such as if a duplex has multiple furnaces, water heaters, and fireplaces.*

26
27 *Pursuant to P.L. 2024, c.32, completion of questions 1 through 108 is mandatory for all sellers of residential real property in the State.
28 Sellers of residential real property must answer these questions before the purchaser becomes obligated under any contract for the
29 purchase of the property. Questions 1 through 108 must be answered to the best of the seller's knowledge, unless otherwise stated.*

30
31 *Pursuant to N.J.S.A. 56:8-19.2, completion of the "Flood Risk Addendum" questions 109 through 117 of the Disclosure Statement, is mandatory
32 for all sellers of real property (including both residential and non-residential property). Sellers of real property must answer these questions
33 before the purchaser becomes obligated under any contract for the purchase of the property. This is the case regardless of whether a seller
34 completes questions 1-108 of the Disclosure Statement. Sellers must verify their answers to questions 109 and 110, and may do so using the Flood
35 Risk Notification Tool located at floaddisclosure.nj.gov. Questions 111 through 117 must be answered based on the seller's actual knowledge.*

36
37 *A seller must execute a separate acknowledgement for each portion of the Disclosure Statement that the seller completes. If a seller
38 does not answer questions 1 through 108, no acknowledgement is required for that portion. However, the mandatory Flood Risk
39 Addendum must still be completed and acknowledged in all cases.*

40
41 Lastly, **New Jersey REALTORS® Seller's Property Condition Disclosure Statement**, Form #140, includes an Addendum
42 Regarding Statutory Disclosures & Other Items, Questions 118-136a, to be answered to the best of seller's knowledge as
43 required by law.

SELLER'S PROPERTY CONDITION DISCLOSURE STATEMENT
ADDENDUM REGARDING FLOOD RISK

©2018 New Jersey REALTORS®

471 Pursuant to N.J.S.A. 56:8-19.2, all Sellers of real property (including both residential and non-residential property) must complete
 472 questions 109-117 below.
 473

474 Sellers of real property must answer these questions before the purchaser becomes obligated under any contract for the purchase of the
 475 Property. This is the case regardless of whether the Seller completes questions 1-108. Sellers must verify their answers to questions 109-
 476 110, and may do so using the Flood Risk Notification Tool located at njreal.to/flood-disclosure. Questions 111-117 must be answered
 477 based on the Seller's actual knowledge.
 478

479 Flood risks in New Jersey are growing due to the effects of climate change. Coastal and inland areas may experience significant flooding
 480 now and in the near future, including in places that were not previously known to flood. For example, by 2050, it is likely that sea-level
 481 rise will meet or exceed 2.1 feet above 2000 levels, placing over 40,000 New Jersey properties at risk of permanent coastal flooding.
 482 In addition, precipitation intensity in New Jersey is increasing at levels significantly above historic trends, placing inland properties at
 483 greater risk of flash flooding. These and other coastal and inland flood risks are expected to increase within the life of a typical mortgage
 484 originated in or after 2020.
 485

486 To learn more about these impacts, including the flood risk to your Property, visit njreal.to/flood-disclosure. To learn more about how to
 487 prepare for a flood emergency, visit njreal.to/flood-planning.
