Hi Jeremy,
I am just wondering if there is any update on the remaining items needed.
Once I have all of the items I can submit.
I am attaching 2024 fees list. They did go up 4% this year.

Good morning Brian,

The Drain Office has approved our easement sketch to amend the easement for the Stark Drain. In order to have the easement recorded, they are going to need a copy of the Property Deed the authority to sign on behalf of LaForest Holdings LLC, and submit a \$1,390 fee made payable to the Macomb County Public Works. See attachments for your reference.

Let me know if you have any questions.

Thanks!

Jeremy,

The easement is finally to their liking.

Not sure what needs to happen next with fees and such.....

Hi Theresa,

All set.) Once I get the fee and all of the other items I can send it over to legal to get it going.

Attaching the item and fee list for you in case you didn't see them.
