

COMMERCIAL INDUSTRIAL (CI) USE LIST

Use list corresponds with the August 26, 2024, edition of Zoning Ordinance

Type of approval mechanism	Explanation
P = Permitted use	Allowed by right in the zoning district with no associated use-specific standards
C = Conditional use	Allowed in the zoning district if all associated use-specific standards are met; see Ch. 4 of the Zoning Ordinance
S = Special exception use	Zoning Board of Appeals determines whether to allow the use; the use may or may not have use-specific standards, and the ZBA may add additional standards if it deems that appropriate
