10 Cliffdale Road is one of the last large estates in the covered-back county of Greenwich offered for the first time since 1939. This exceptional private estate sits atop a hill on 66 park-like acres with winter views of Long Island Sound and New York City. The first section of the property features 12-plus acres of flat grazing lands perfect for horses. The property stretches just over a half mile long. Other features include a pool with a pool house, a caretaker cottage, walking trails, shed barns for livestock, and two large greenhouses. Two separate garage structures with apartments. The main house features seven bedrooms, seven full baths, and two half baths. This is truly a once-in-a-lifetime offering.
