SUITE OVERVIEW

Ideally used for a pediatric dental practice, this suite features a spacious reception and family waiting area, plus a large open-bay treatment room designed for carousel-style dentistry with plumbing and power for two central sink pods, each supporting five chairs. The layout includes four private operatories with chair hookups, two private offices, a wet lab, two restrooms, and a large employee break room, supporting efficient workflow and high-volume pediatric care.

Also suitable for physical therapy, chiropractor, medical, professional or general office use with minor modifications.
