Area Overview

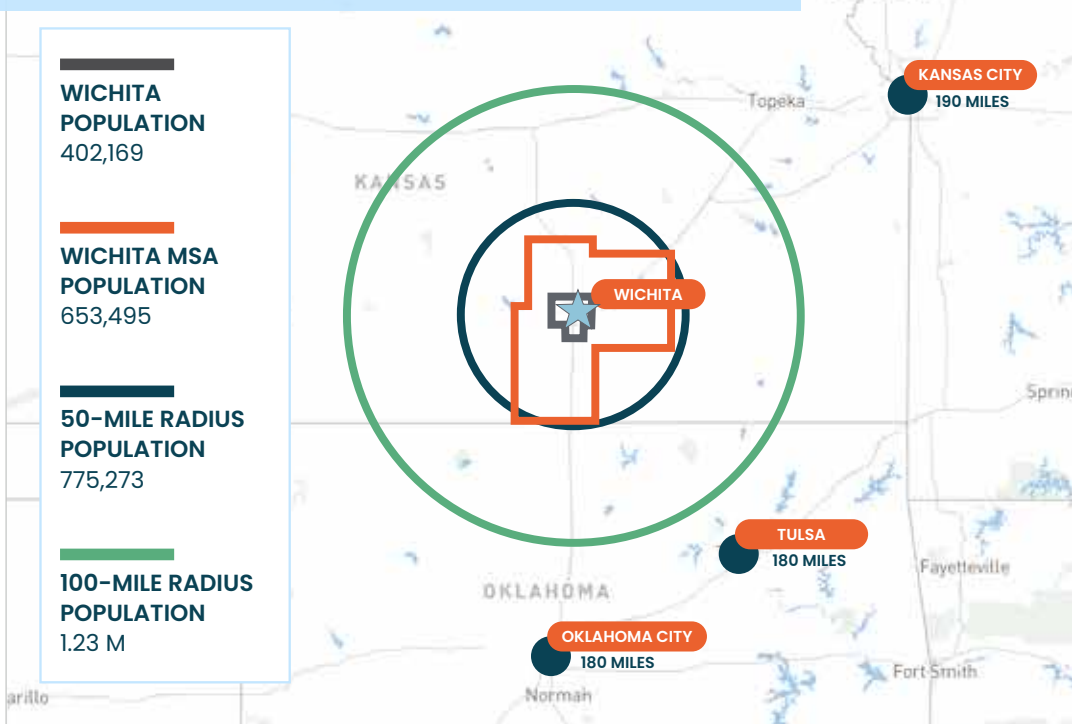

Wichita, located in the central portion of the state, is the most populated city in Kansas. Wichita possesses an excellent quality of life with affordable housing, low crime rates and fast commutes. Considering the area's many cultural and recreational opportunities, residents of Wichita are accustomed to amenities often found only in larger metropolitan areas. Home to a diverse workforce and abundant employment opportunities, it is easy to see why Wichita has recently been included on several national publications' lists as one of the best places to work and live.

THE BEST CITIES TO MOVE TO IN 2024

"Based on its strong employment market, favorable climate and affordable housing options, we found Wichita to be one of the most desirable cities to live and work in 2024."
