Working Nursery with utilities (well and electric) in place. Currently run as a wholesale nursery, but could be easily converted to a retail operation. Zoning with approvals will allow for landscape wholesale business with the ability of storage of equipment and trucks etc. Current trends favor a wholesale nursery with accessory landscape services. Meaning 70% of the site has to be dedicated to nursery. With 30% to landscape services (includes trucks, equipment, etc.)

Seller willing to consider selling tree inventory with sale....
