Casper

The City of Casper is centrally located in the heart of Wyoming. Nicknamed the “Oil City”, Casper and the surrounding Rocky Mountain Region has long benefitted from the Mining, Gas & Oil industry. Casper reflects the image of the “Great American West.” A Community nestled in the foothills of Casper Mountain with the North Platte River running through it.

With a population of approximately just over 60,000, Casper is the second largest metropolitan city in Wyoming. Casper provides an outstanding economic means where businesses and manufacturers can have a Central Western location, while benefitting from strategically planned Business Parks, Freight routes, the BNSF Railway & Trans-load facility and Wyoming’s only International Airport. Casper has been fortunate to provide a high quality of life for its residents while claiming some of the nation’s lowest tax rates. In addition to having relatively low property tax, the State of Wyoming has no corporate or state income tax.

Since the late 1800’s Casper’s Economy has been rooted in the energy industry, but in recent years has diversified beyond energy and expanded into Health care, education & training as well as promoting new business startup programs. Forbes Magazine rated Casper in their July, 2014 issue as one of the “Best small Places for Business and Careers.”
