ABOUT THE WEST OVERLOOK PARK

40-ACRE RIVERFRONT MIXED-USE PROJECT

One of North Texas' most successful and best-known apartment builders — Columbus Realty — has finished work on a 535 unit rental community on part of the 40-acre land assemblage to the north of the iconic Margaret Hunt Hill Bridge.

Columbus Realty CEO and founder Robert Shaw has previously said that he was attracted to the site because of its proximity to the planned Trinity River park and the trail system. City planners have long held that the Riverfront Boulevard site, planned for mixed-use construction including apartments, shopping, hotels and office space totaling up to 4 million square feet, has the potential to be one of the most significant development projects along the Trinity River.

Hunt Realty Reunion Redevelopment

The project around the iconic Reunion Tower will include 12 new apartment buildings, a mega hotel, and shops and offices next to the new convention center.

Plans also call for the redevelopment of the historic Union Station, located across the railroad tracks from Reunion Tower.

Hoque Global & PegasusAblon Bank of America Plaza

Mike Hoque of Hoque Global and Mike Ablon of PegasusAblon have lined up a deal to buy the 72-story building, plus 4 surrounding blocks in Downtown Dallas.

A \$350 million redevelopment plan starting in mid-2025 will add a 300-key hotel to the tower and recast the surrounding streetscape into a bustling, pedestrian-friendly area with trendy restaurants and shops.

Goldman Sachs

Construction has started on an 800,000 sf Goldman Sachs office which will house 5,000 employees. The office is part of a larger mixed-use development alongside a 1.5-acre urban park.

BANK OF AMERICA

Construction has started on what will be the tallest office building in Dallas' Uptown district. The 30-story high-rise will house Bank of America's Dallas offices when it opens in 2027.

INFORMATION ABOUT BROKERAGE SERVICES

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

TYPES OF REAL ESTATE LICENSE HOLDERS:

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of each party to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - that the owner will accept a price less than the written asking price; that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
