CBRE

A NEW LOOK

Carlton Plaza has recently been upgraded in all areas. The showpiece is the beautiful contemporary lobby. The design has been well received by the existing tenants and has tremendously improved the appeal to prospective tenants and visitors who experience the building.

The addition of Wi-Fi in the lobby creates a warm atmosphere for tenants to relax and enjoy the comfortable environment while working on their laptops or tablets. The exterior courtyard has been improved to provide tenants with an additional area to relax or work.
